It's not always what it seems. It's everything but the truth.

It's entirely possible you will never guess what I'm talking about.

So now I'm worried about the ending. What do you think?

If I had told them I was gay he would never had said that! He says he supports LGBTQA+ rights but apparently not when it comes to me being Aro/Ace.

Hooray for parents, am I right? Who knows, maybe my mom will be different. Who knows.

### Chapter 5 by Fanwizard

I've cried during six movies and sometimes cry for no reason at all.

### Chapter 6 by Wolfato the Bunacado (Wolves4Days) - Inactive

Sometimes in public when I really have to fart, I do a silent but DEADLY. (Hey, admit it, everyone does it.)

### Chapter 7 by Fanwizard

I once had a deadly fear of jellyfish.

### Chapter 8 by Amelia Rose

For a long time I have considered myself asexual but over the past few months I have noted that I am incoherently sexually attracted to other females and I don't know why but that terrifies me.

**the end**
